

A Comprehensive Transformation Set to Celebrate the Legacy and Future of Buckhead's Iconic Hotel

CHICAGO (April 2, 2025) — [Grand Hyatt Atlanta in Buckhead](#) unveils the completion of its multi-phased renovation aimed at reimagining every facet of the guest experience. In collaboration with DLR Group, a leading design firm specializing in hospitality interiors, and the architectural experts at designONE studio, this renovation incorporates thoughtfully curated upgrades, including revamped accommodations and newly imagined spaces for dining, socializing, and relaxing. In collaboration with DLR Group, a design firm specializing in hospitality interiors, and architectural firm designONE studios, this initiative brings a range of thoughtfully curated upgrades, including improved accommodations and reimagined dining, social, and relaxation spaces.

Embracing a forward-looking approach, the renovation underscores the hotel's commitment to innovation while honoring its esteemed heritage. For over two decades, Grand Hyatt Atlanta has been a cornerstone of Atlanta's upscale hospitality landscape, renowned for its tranquil Japanese Zen Garden and cascading 30-foot waterfall, the property is a sanctuary of sophistication in the heart of a thriving metropolitan hub.

"This most recent transformation signals an exciting evolution for Grand Hyatt Atlanta in Buckhead," said Kristi Cotten-Morris, General Manager of Grand Hyatt Atlanta in Buckhead. "As we unveil this new chapter, we are committed to creating spaces that inspire and connect—places where our guests can seamlessly balance productivity, relaxation, and discovery. With an eye toward the future, this renovation reflects not only the vibrancy of Buckhead but also our vision for contemporary luxury."

The final phase of renovations includes a redesigned arrival experience that enhances accessibility and creates a more seamless arrival experience for guests. The lobby, which will feature all new marble floors and artwork, has relocated the front desk to a more central location closer to the front door, allowing for a more visually appealing aesthetic made complete with the lobby bar, serving as the backdrop made complete with the three story waterfall. Additional lobby highlights include a 24-hour market offering a diverse selection tailored to every palate, including gourmet foods and quick artisanal sandwiches. Emphasizing a blend of local favorites and premium brands, the market proudly showcases products from Black-owned businesses like Boon Boona Coffee and Kyri's Kookies. Guests can also savor local specialties such as Montane coffee and Arden drinks, creating a bespoke dining experience for those on the go. Additional lobby experiences include "The Nest", a conveniently located modern phone booth where guests can step away for an important phone call, quick conference call or good night phone calls to their family.

The Fabled Lounge

Recently opened, "The Fabled," a sophisticated new lounge designed by DLR Group and designONE studio, promises to be a creative haven inspired by storytelling. Crafted cocktails such as 'The Alchemist's Elixir,' a tequila and ginger liquor concoction, and 'The Fabled Rising,' a flavorful mezcal and blood orange ginger beer partnership, evoke mythical and epic literary themes. Zero proof specialty cocktails will also be featured. The Fabled is the perfect destination for after-dinner drinks, business lunches, or happy hour, offering an atmosphere that enriches the mood and enhances the narrative experience sought by guests. With a menu curated by Chef Bradley Jones, the lounge also offers small plates, enhancing its appeal as a relaxing setting for evening gatherings. Operating hours for The Fabled are Sunday through Thursday from 11:30 a.m. to 11:00 p.m. and Friday through Saturday from 11:30 a.m. to midnight. Located within the hotel and overlooking the serene garden and cascading waterfall, The Fabled offers a sophisticated retreat, transcending beyond a mere bar to become a living storybook where connections are forged and tales are exchanged. The lounge features inviting textures, natural elements, and an open-flow design, serving as a central hub for guests to unwind or collaborate. At its heart is a sleek semi-circular bar adorned with green quartzite and leather finishes for a timeless yet contemporary feel.

Cassis Restaurant

The hotel's lower level is home to the reimagined Cassis, a restaurant that serves daily breakfast and offers exclusive private dining experiences. Its design draws inspiration from the Mediterranean port of Cassis, celebrated for its rosé and white wines, as well as the iconic crème de cassis—a rich, dark red French liqueur crafted from blackcurrants. The space encourages a journey of discovery for all guests, blending classic materials with modern fashion-inspired sophistication. Featuring marble, rich woods, contemporary furniture, and artwork inspired by the coastal landscape of Cassis, including grand murals infused with fruit botanicals. The restaurant features stunning views of a two-story Japanese garden, visible from the main dining area and adjacent private dining spaces, with the option for guests to step outside and fully immerse themselves in its beauty.

Le Petit Chef

In February 2025, Grand Hyatt Atlanta in Buckhead unveiled Le Petit Chef at Cassis Restaurant, an internationally acclaimed dinner theater where culinary excellence meets 3D storytelling. Guests will embark on a delightful journey guided by a 2.3-inch-tall animated chef while enjoying a preselected five-course menu featuring local flavors such as Saffron Seafood Cioppino with Georgia Coast Grouper and Savannah Shrimp, culminating with a decadent Georgia Peach Crème Brûlée. With options for

vegetarians and children, it promises an unforgettable experience for every palate.
