### Strong loyalty, built on the needs of owners and guests

Satisfaction among guests means strong returns for owners. That's why we've built each Hyatt Regency hotel on a set of consumer-driven design principles that help ensure the right experience for every guest, every time—from customized food and beverage services to stress-free event planning and preparation. World of Hyatt - our redefined loyalty program - is based on understanding what matters to guests. More rewards and meaningful benefits at every level drive consistent reservations at our properties worldwide.

### Consistent recognition for a perfectly complete experience

Everything Hyatt Regency guests want and need is here—an end-to-end experience that means they never have to look beyond our walls, and a service or activity for whatever they need to feel and be their best.

In the past two years, we've taken the best-performing aspects from across the portfolio and made them signature elements of every Hyatt Regency hotel: around-the-clock food and beverage options, shared workspaces with computers and printers, complimentary water stations in every lobby and more.

It's no wonder the Hyatt Regency brand has consistently received top rankings, awards and accolades from independent publications and magazines, including *Condé Nast Traveler*, *Travel + Leisure*, *U.S. News & World Report*, *IDEAT* and *Incentive Magazine*, as well as groups like AAA, BTN Group and Successful Meetings.
