

Hotel connects guests with the rejuvenating beauty of nature near the Great Wall

CHICAGO (April 20, 2019) – Hyatt Hotels Corporation (NYSE: H) today announced the opening of Hyatt Regency Beijing Shiyuan, located in the vibrant Yanqing District of China's capital city. Yanqing is known as an imperial retreat, surrounded by scenic mountains, rivers and wildlife. These nature elements have influenced the interior design of the property to create an energizing experience from the moment guests arrive. Just steps away from the International Horticultural Expo 2019, approximately 45 minutes from downtown Beijing and a 30-minute drive to the awe-inspiring Great Wall of China, the hotel provides guests traveling for business or leisure a seamless, intuitive experience as they connect with who and what matters to them most.

"Our location combines convenient access to the Chinese capital with the accessibility to rejuvenate in nature," said Stella Sun, general manager of Hyatt Regency Beijing Shiyuan. "Whether guests are looking for a family retreat, an unforgettable wedding or a memorable corporate meeting destination, Hyatt Regency Beijing Shiyuan's spacious guestrooms and suites, fresh dining experiences, 24-hour wellness facilities, and inspiring meeting and event spaces provide a one-stop destination to connect for any occasion."

Spacious Guestrooms to Connect and Unwind

Hyatt Regency Beijing Shiyuan features 283 contemporary guestrooms, including 19 suites, two Diplomat Suites and a Presidential Suite. Starting at 430 square feet (40 square meters), most guestrooms feature floor-to-ceiling windows overlooking the Expo Park and garden views, while nearly 90 percent of the guestrooms also offer a private balcony. Complimentary Wi-Fi, a 55" SMART TV and Bluetooth stereo are available in all rooms, and Regency Club guests may enjoy access to the Regency Club Lounge and terrace, offering exclusive check-in/out, afternoon refreshments and evening cocktails.

Picturesque Dining and Lounging

Guests can savor enticing cuisine infused with Northern China flair and fresh local ingredients at the hotel's two signature dining outlets. Mirroring a rustic mountain village, Xiang Yue Chinese restaurant showcases authentic local favorites along with Cantonese, seafood and other regional Chinese specialties. Market Café's lively culinary marketplace serves specialties from East to West, prepared in an open kitchen. Meanwhile, the cozy Lobby Lounge is an ideal gathering place for casual meetings and refreshments overlooking the outdoor garden.

Inspiring Spaces for Meetings and Events

Hyatt Regency Beijing Shiyuan offers seamless, personalized, high-touch experiences for meetings and social events of all sizes. The hotel features a 10,225 square foot (950 square meter) Regency Ballroom, six multifunctional meeting rooms, and a 5,382 square foot (500 square meter) manicured lawn, suitable for weddings and other outdoor celebrations. The hotel's meeting spaces compliment the facilities of the adjoining Beijing World Horticultural Expo Park, offering an endless array of possibilities for meeting and event planners.
