The Regency Club provides Regency floor guests access to complimentary breakfast, all-day refreshments, evening cocktails and canapés.

Design and Culinary

The overall design of Hyatt Regency Taoyuan International Airport is inspired by CAL Hotel Co LTD’s mission to “create more wonderful moments through flying” and the concept of "Encounter Taiwan, Fall in Love with Taiwan.” By capturing the essence of Taiwan’s breathtaking mountain and ocean landscapes, and its unique cultural heritage throughout the guestrooms, restaurants and common spaces, guests can experience the beauty of Taiwan from the moment they step into the hotel.

The hotel lobby is centered on the theme “Overlooking the Beautiful Island” and is a sophisticated space that draws inspiration from an airplane wing. The main visual concept showcases the majestic view of Taiwan’s rich landscapes and lush forests as seen from the sky, offering a stunning aerial perspective of the island. Meanwhile, the colors of a China Airlines aircraft are artfully blended into the design of the front desk.

The Lounge, an inviting space in the lobby where guests from around the world can converse and relax while enjoying expertly mixed cocktails, light bites, and refreshing beverages, is inspired by the Alishan Forest Railway experience. Its warm color palette of mustard yellow, moss green, and brick red injects a sense of rhythm into the calm, relaxing space.

Market Café incorporates the diverse beauty of Taiwan and its beloved cuisine. Here, guests can enjoy a Western-style buffet for breakfast, lunch, and dinner, as well as an à la carte menu and regular menu. 24-hour room service is also available.

The hotel’s Chinese restaurant Wei Fang offers authentic culinary options, featuring seasonal fresh ingredients, dishes, and various dim sum, allowing guests to experience the rich flavors of traditional Cantonese cuisine.
