Hyatt Newsroom

# New award-combining flexibility, earlier Milestone Rewards and Delta Air Lines benefits give members more ways to earn, personalize and share rewards.

**CHICAGO, IL (November 18, 2026)** – Beginning January 1, 2027, World of Hyatt will offer more ways to earn, combine and share rewards, shaped by what members say matters most. Building on the principles behind the program's 2024 refresh, the newly expanded World of Hyatt Milestone Rewards are designed to offer more awards and more choice at more milestones, allowing members to choose earning bonus points for future free nights, enhancing stays with premium suite upgrades or enriching their wellbeing.

"We're shaping the future of World of Hyatt around what our members value most. After a year of listening, one thing is clear: members want more distinctive benefits, more freedom to use their awards, and the opportunity to choose awards that matter most to them," said Laurie Blair, senior vice president, global marketing and loyalty, Hyatt. "We're continuing to deliver more of what members want, with the ability to combine valuable awards, earn Tier Qualifying Nights faster, and choose more of the experiences they love. Together, these new options make every milestone a chance to personalize the journey ahead."

**NEW CHOICE AT EVERY MILESTONE**

To celebrate members sooner in their journey with World of Hyatt, in 2027, Milestone Rewards will start at 10 qualifying nights or 20,000 Base Points, with additional milestones every 10 qualifying nights, up to 150 nights per calendar year.

Throughout the journey from Discoverist to Globalist and beyond, World of Hyatt members will be able to earn new Awards on the Milestone Rewards chart, including:

- **Inclusive Collection Spa Credit:** Enjoy or gift a $30 credit towards spa treatments at resorts in Hyatt's Inclusive Collection.
- **Tier-Qualifying Night Credits:** Earn Tier-Qualifying Night Credits to get you closer to your next status and Milestone Rewards. Tier-Qualifying Night Credits can be selected in 1, 2 and 5 increments along the Milestone Rewards chart.
- **Thompson Hotels Credit:** Enjoy or gift a $200 credit toward eligible paid stays at Thompson Hotels.
- **Premium Suite Credit:** Enjoy or gift a $500 credit toward the booking of a premium suite on eligible paid stays of at least two nights.
- **Free Parking Award:** Enjoy or gift free parking on qualifying award or paid stays up to seven nights.

**AWARDS THAT FIT THE WAY MEMBERS TRAVEL**

Beginning in 2027, members will be able to combine eligible awards, including Suite Upgrade Awards, Guest of Honor Awards and Free Parking Awards on the same reservation, to shape a stay around what matters to them. And because a little extra time can make a big difference, all awards will be valid for 365 days after they're issued. Members can select, gift and redeem eligible awards online or in the World of Hyatt app, while an enhanced Pay My Way experience will let members tailor payment for each night using awards, points, cash or Points + Cash.

**NEW REWARDS FROM DELTA AIR LINES**

By linking their World of Hyatt and Delta SkyMiles accounts, members will be able to access new Delta Air Lines Milestone Rewards. These start at 20 qualifying nights or 35,000 Base Points, with e-certificates in varying amounts at 20 to 60 nights, Delta Sky Club® passes at 70, 80 and 90 nights, and opportunities to earn Medallion Status at milestones from 100 to 150 nights. Learn more here.

Together, these changes offer more choice, more flexibility and more ways to customize the travel journey.

*The term "Hyatt" is used in this release for convenience to refer to Hyatt Hotels Corporation and/or one or more of its affiliates.*

**Forward-Looking Statements**

*Forward-Looking Statements in this press release, which are not historical facts, are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Our actual results, performance or achievements may differ materially from those expressed or implied by these forward-looking statements. In some cases, you can identify forward-looking statements by the use of words such as "may," "could," "expect," "intend," "plan," "seek," "anticipate," "believe," "estimate," "predict," "potential," "continue," "likely," "will," "would" and variations of these terms and similar expressions, or the negative of these terms or similar expressions. Such forward-looking statements are necessarily based upon estimates and assumptions that, while considered reasonable by us and our management, are inherently uncertain. Factors that may cause actual results to differ materially from current expectations include, but are not limited to: general economic uncertainty in key global markets and a worsening of global economic conditions or low levels of economic growth; the rate and pace of economic recovery following economic downturns; global supply chain constraints and interruptions, rising costs of construction-related labor and materials, and increases in costs due to inflation or other factors that may not be fully offset by increases in revenues in our business; risks affecting the luxury, resort, and all-inclusive lodging segments; levels of spending in business, leisure, and group segments, as well as consumer confidence; declines in occupancy and average daily rate; limited visibility with respect to future bookings; loss of key personnel; domestic and international political and geopolitical conditions, including political or civil unrest or changes in trade policy; the impact of global tariff policies or regulations; economic sanctions or other government restrictions that may limit our ability to conduct business or receive payments; hostilities, or fear of hostilities, including the ongoing military conflict in the Middle East and security-related disruptions in Mexico, as well as terrorist attacks or other acts of violence, that affect travel; travel-related accidents; natural or man-made disasters, weather and climate-related events, such as hurricanes, earthquakes, tsunamis, tornadoes, droughts, floods, wildfires, oil spills, nuclear incidents, and global outbreaks of pandemics or contagious diseases, or fear of such outbreaks; the impact of government-issued travel advisories, airspace closures, or flight suspensions on international arrivals and hotel bookings in affected regions; our ability to successfully achieve specified levels of operating profits at hotels that have performance tests or guarantees in favor of our third-party owners; the impact of hotel renovations and redevelopments; risks associated with our capital allocation plans, share repurchase program, and dividend payments, including a reduction in, or elimination or suspension of, repurchase activity or dividend payments; the seasonal and cyclical nature of the real estate and hospitality businesses; changes in distribution arrangements, such as through internet travel intermediaries; changes in the tastes and preferences of our customers; relationships with colleagues and labor unions and changes in labor laws; the financial condition of, and our relationships with, third-party owners, franchisees, and hospitality venture partners; the possible inability of third-party owners, franchisees, or development partners to access the capital necessary to fund current operations or implement our plans for growth; risks associated with potential acquisitions and dispositions and our ability to successfully integrate completed acquisitions with existing operations or realize anticipated synergies; failure to successfully complete proposed transactions, including the failure to satisfy closing conditions or obtain required approvals; our ability to maintain effective internal control over financial reporting and disclosure controls and procedures; declines in the value of our real estate assets; unforeseen terminations of our management and hotel services agreements or franchise agreements; changes in federal, state, local, or foreign tax law; increases in interest rates, wages, and other operating costs; foreign exchange rate fluctuations or currency restructurings; risks associated with the introduction of new brand concepts, including lack of acceptance of new brands or innovation; general volatility of the capital markets and our ability to access such markets; changes in the competitive environment in our industry, industry consolidation, and the markets where*

*we operate; our ability to successfully grow the World of Hyatt loyalty program and manage the Unlimited Vacation Club paid membership program; cyber incidents and information technology failures; outcomes of legal or administrative proceedings; and violations of regulations or laws related to our franchising business and licensing businesses and our international operations; and other risks discussed in the Company's filings with the U.S. Securities and Exchange Commission ("SEC"), including our annual report on Form 10-K and our Quarterly Reports on Form 10-Q, which filings are available from the SEC. These factors are not necessarily all of the important factors that could cause our actual results, performance or achievements to differ materially from those expressed in or implied by any of our forward-looking statements. We caution you not to place undue reliance on any forward-looking statements, which are made only as of the date of this press release. We undertake no obligation to update publicly any of these forward-looking statements to reflect actual results, new information or future events, changes in assumptions or changes in other factors affecting forward-looking statements, except to the extent required by applicable law. If we update one or more forward-looking statements, no inference should be drawn that we will make additional updates with respect to those or other forward-looking statements.*
